Dear Students,

It is an honor as Mayor of Tampa, Florida to commend and encourage you during your fundraising efforts to place a Gold Star Families Memorial Monument on the grounds of the Franklin Boys Preparatory Academy.

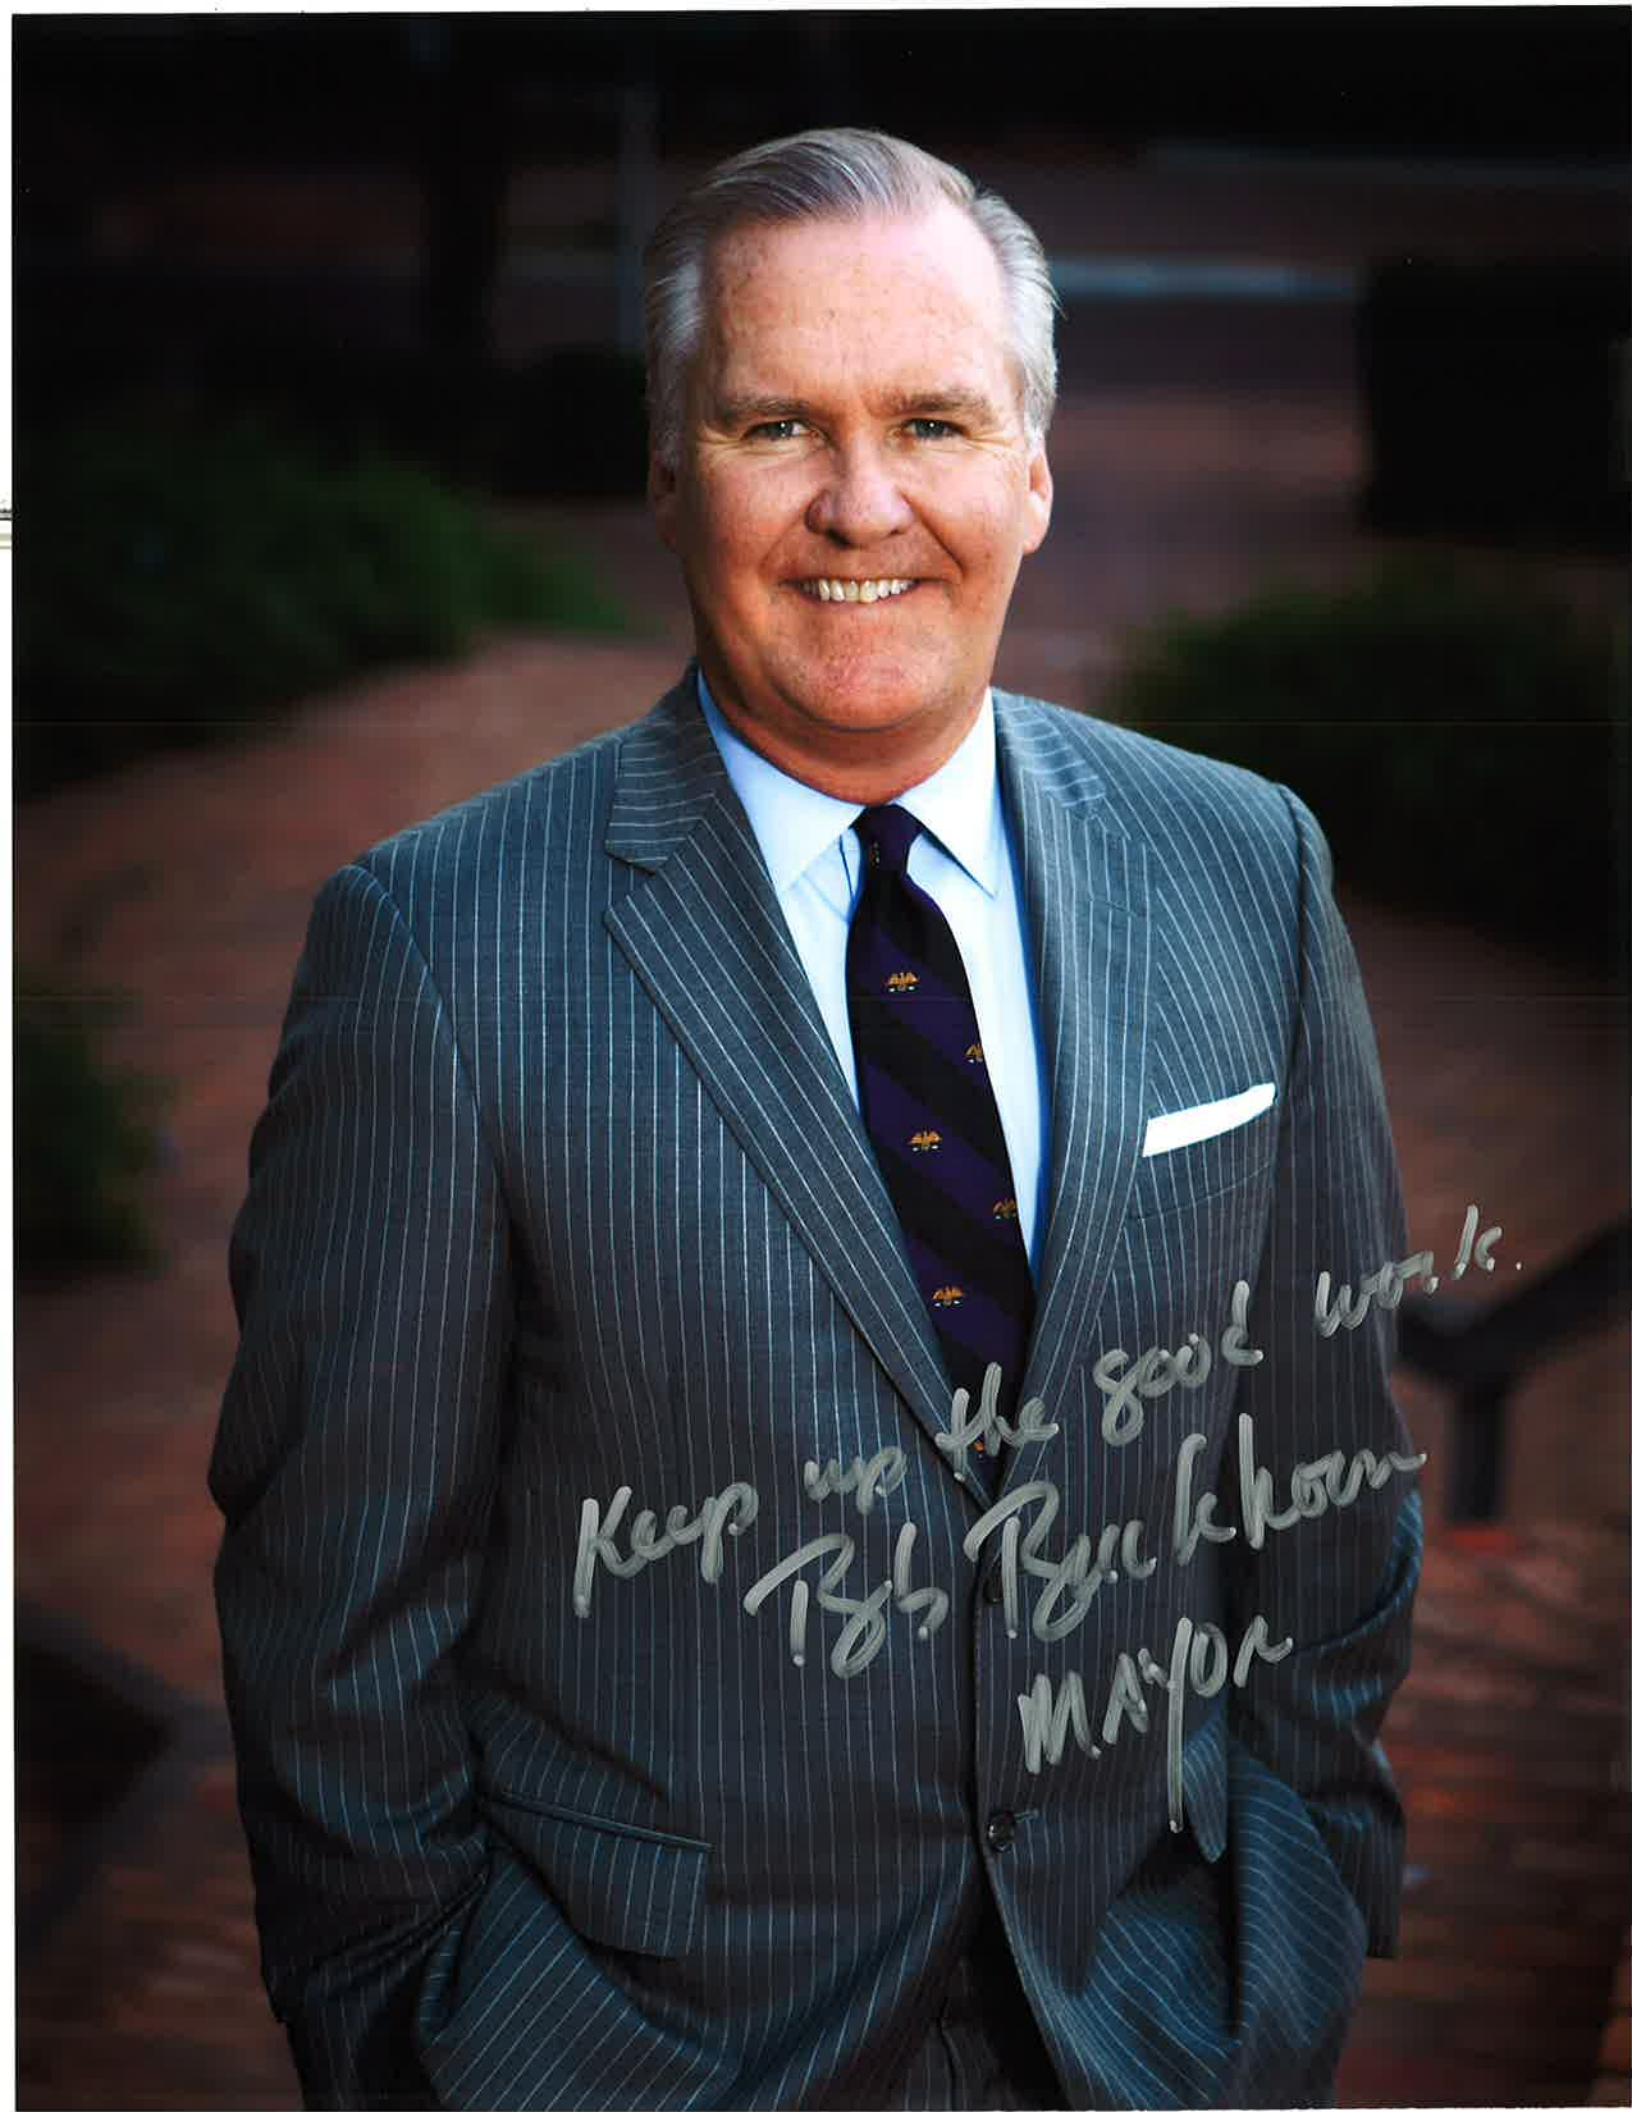

Embracing Congressional Medal of Honor Recipient, USMC Corporal Hershel "Woody" Williams' vision, in part, to construct Gold Star Families Monuments throughout the country and your eagerness to join in this initiative is testament to your commitment to honor the sacrifices of our brave military service members and their families.

I know you will have every success with this project and I look forward to hearing of the completion of the monument.

Sincerely,

A handwritten signature in blue ink, appearing to be "Bob Buckhorn", is written over the word "Sincerely,".

Bob Buckhorn

Keep up the good work.
